- Color grey (RAL 7035)

Product Overview

The Workstation Wall Mounting Cabinet from DIGITUS® is made primarily to serve as slim workstation e.g. in the office area, warehouses, hospitals, laboratories, hotels or conference rooms, etc. It is separated into two sections. The first compartment with glass door is ready to equip a screen on the integrated adjustable screen holder. Furthermore, there is space to store your computer/server housing. In order to store your keyboard and mouse, the second compartment is outfitted with a sliding shelf for daily operation. There are cable entry holes on the bottom sides as well as punched out holes for fan installation.
