

DIGITUS 10" Socket Strip with Aluminum Profile, 4-way safety sockets

DN-95418
EAN 4016032474777

1U Aluminum PDU, 254 mm (10") rack mount, 4x safety outlet, 16A, 4000W, 250VAC 50/60Hz

The 4-way power strip from DIGITUS® is the perfect solution for your 10" network or server cabinet. Optimized for cabinet installation, DIGITUS® power strips with 220-240V at 50-60 Hz deliver ideal performance with the right capacity utilization. The included 10" fastening material ensures for optimal attachment on the profile rails of your cabinets. Each power strip can be attached horizontally or vertically and it is possible, depending on the type of cabinet, to mount the power strip with the taps facing upwards or downwards.

Safe and professional power supply in the 10" range

- 4 x safety plug sockets
